Meeting was called to order by president.

President, Treasure, and Secretary present.

Jim gave a treasure's report. We have \$3800 combined in all accounts.

Sept. 17th is RDO Day and we will be having a booth down at the 4-H building.

Jeff will double check on time.

Steph and Larry will be down there to run the booth.

Sept. 17th is also the Women's Hunt in Custer.

Jim has it all set up and help is organized.

Jeff will check on getting a club banner since ours blew away at the hunt test.

Fun hunt will be determined at a later date.

Jeff is going to talk to Paul about having a BBQ and shoot at the Sportman's Club.

Meeting ajourned.

As a side note, we really need to have members show up for meetings. We had a total of 6 counting officers this month.
