Please scroll to next page for Video check out rules.

Rules for Video check out: “Please read”

Videos and DVDs may be checked out from the MRRC President and returned to him/her.

Check out: You may check out one video or DVD at a time for a two week period.

Personal check: Check out will require a personal check for the value of the video, DVD or training materials. The check will be returned to you when you return the training material.

Damage: If the material is returned damaged, your personal check will be used to replace it.

Return of video, DVD or training material: If video, DVD or training material is not returned or if you do not contact the MRRC President within the third week from time of check out your check will be used to replace the material.

We are working hard to build a library for our club members and in order to keep it going all of us will need to comply with the above. It is important that we have good, up to date, quality material for our members to watch, learn, and enjoy.
